## About West Mediterranean Exporters Association

West Mediterranean Exporters Association (BAIB) is one of the 61 Exporters Associations functioning under 14 General Secretariats in Türkiye. The members of the Associations are exporters. Turkish Exporters Assembly (TIM) is the umbrella organization of the Exporters Association General Secretariats and all exporters in Türkiye.

Leading exporters for more than half a century, BAIB was founded in 1968 as Antalya Exporters Association and it has become a 'Regional Association' as of 2011 incorporating Burdur and Isparta under its responsibility.

BAIB is responsible for cities of ANTALYA, ISPARTA and BURDUR. Exporters which are registered and functioning in any of these cities are obliged to be member of West Mediterranean Exporters' Association.

### COMPANY PROFILE

#### ABOUT

Delivering Freshness to the World with Over 20 Years of Experience: We have been operating in the fresh fruit and vegetable export industry for over 20 years. With deep-rooted experience and a strong foundation, we move forward at every step with expertise, reliability, and a commitment to quality.

**Experience & Reliability:** Our decades-long experience has given us a deep understanding of how to deliver the highest quality products to our customers. With a vision to become a trusted global brand, we have consistently focused on quality, freshness, and reliability in everything we do.

**Sustainability & Innovation:** We work closely with our farmers to support sustainable agricultural practices and to protect natural resources. By embracing innovation and technology, we optimize every stage of the supply chain from production to logistics ensuring that our fresh products always reach their destinations in the best possible condition.

**Customer Focus:** Customer satisfaction and expectations are at the core of our business. With flexibility, on-time delivery, and high-quality standards, we continue to create real value for our partners around the world.

**Looking Ahead:** With the knowledge and experience we have gained over the years, we are confidently stepping into the future. Our goal is to strengthen our position as a key player in the global market and to expand our reach, bringing our fresh produce to more countries and more people.
